Dear Friends,

In May we celebrate our mothers, and their unconditional love and support that helps us feel safe and prepares us to navigate our world.

Great Expectations provides that life-giving bond to homeless young women who have experienced neglect, abuse and loss their entire lives. We are their safe place, to heal, rebuild self-esteem, and embrace motherhood. Our mission is rooted in “safety,” promising a safe place, safe presence, and safe path to each mother and child we serve.

We are asking for your help in purchasing a large passenger van to provide safe, reliable transportation for our many moms, babies, and so many car seats!

And, we’ve got a great start: a foundation has invited us to apply for a grant of \$10,000 toward the purchase of a \$25,000 van. Our goal for this appeal is the remaining \$15,000!

Every day, our house schedules are filled with appointments – well and sick visits, attorney and court appointments, school, AA meetings and worship services. Recreation is a challenge when all need to be transported to one destination. And in an emergency, we need the ability to transport our families, safely and quickly!

We are at capacity with a long waiting list. Our nearly-completed building expansion for adolescents will allow us to serve more vulnerable teens and babies, and Katy’s Place, our Child Development Center, will almost double in size. By midsummer, we will have 20 young women, and almost 23 children – one mother is currently expecting twins, a first for us all!

We trust the love and support you receive from your family and friends will inspire you to embrace our CGE families, and help us meet our goal!

Please use the envelope enclosed to send your donation as soon as you can. If you prefer to give online, go to our website at www.cge-nj.org and click on “DONATE NOW”.

As always, thank you.

Sincerely,

Peg Wright
