

May 18, 2016

Dear Friends,

It's that time of year again! Warm weather means its **golf time!** How about a four to five hour round ~ add laughs, great friends, a well-rated course, lots of birdies and maybe an eagle or two. What could be better?

I have been personally involved in supporting **the Center for Great Expectations** for 18 years. Last fall I had the opportunity to visit the Center with a team from the MSG Network to capture the Center's mission in action for a television special that aired before one of our Devils games. This experience brought my passion for the Center to a new level. I hope you had an opportunity to see the broadcast.

The Center for Great Expectations does not run your typical program ~ it is the only one of its kind in the state of NJ. The place is different – homelike, not institutional – giving young mothers a chance to build their self-esteem in a safe place. The people served are teens and women who have come from tough backgrounds – not only homeless, but survivors of physical, sexual, and emotional abuse; below average education; and many now with substance use problems. Their babies stay with them, giving them a reason to keep moving forward. And the people that help are part of a highly skilled clinical team that targets the needs of each individual, and goes above and beyond to get each woman to her goal. As Peg Wright, President, CEO, Founder and dear friend, says **"people heal people"**. And that is the heart of what happens at the Center.

I am personally inviting you to come out and join me for a day of golf and more in support of the Center for Great Expectations.

Enclosed is an invitation to support the Center with a day of golf – please consider sponsoring this worthy event. Suburban Golf Club is fantastic! This Tillinghast course is a must play, and the staff provides great service. Enjoy the course, brunch, dinner, auction and listen to one of the Center's clients tell her story of embracing change – for herself and her child.

This is an opportunity to affect change in the lives of those less fortunate – and you get to play golf. A positive day all around!

Join me, some of my sports friends, and other golfers in support of the women and children. Please call or email today to sign up – info@cge-nj.org, or (732) 247-7003 x33 – and support this worthy cause! Find out more about how the Center changes lives at cge-nj.org or call arrange a visit.

Sincerely,
